

MAHAL FORET HAYAT

Construction materials · Dammam & Khobar product reference

Arabic and English names, nominal sizes and typical uses. Confirm grading, source, manufacturer instructions and project requirements with your inquiry. Prices and availability are confirmed by quotation.

Cement

Riyadh OPC Cement

أسمنت الرياض البورتلاندي العادي

Size / packaging

50 kg

Typical uses

Concrete mixes; Masonry mortar and general construction

[Product reference](#)

Cement

Saudi OPC Cement

أسمنت السعودية البورتلاندي العادي

Size / packaging

50 kg

Typical uses

Concrete and reinforced concrete mixes; General building work

[Product reference](#)

Cement

Riyadh White Portland Cement

أسمنت الرياض البورتلاندي الأبيض

Size / packaging

50 kg

Typical uses

Decorative precast work; Specified white mortar and architectural finishes

[Product reference](#)

Construction Sand

Regular Sand

رمل عادي

Representative material photograph; supplied grading may vary.

Size / packaging

Natural grading; confirm required sieve range

Typical uses

General filling and leveling; Non-structural site work to the agreed specification

Photo: Peter Craven / CC BY 2.0

Construction Sand

Washed Sand

رمل مغسول

Representative material photograph; supplied grading may vary.

Size / packaging

Washed fine aggregate; grading by specification

Typical uses

Specified concrete mixes; Bedding and mortar where the grading is suitable

Photo: Peter Craven / CC BY 2.0

Construction Sand

Fine / Plastering Sand

رمل ناعم / رمل لياقة

Representative material photograph; supplied grading may vary.

Size / packaging

Fine screened grading; confirm sieve analysis

Typical uses

Wall plastering; Rendering and finishing mortar

Photo: Peter Craven / CC BY 2.0

Construction Sand

Masonry / Mortar Sand

رمل مباني / رمل مونة

Representative material photograph; supplied grading may vary.

Size / packaging

Mortar grading to project requirements

Typical uses

Block laying; Brickwork and masonry mortar

Photo: Peter Craven / CC BY 2.0

Construction Sand

Fill / Backfill Sand

رمل دفان / رمل ردم

Representative material photograph; supplied grading may vary.

Size / packaging

Fill grading and compaction requirements by project

Typical uses

Approved trench backfill; Site leveling and filling

Photo: Peter Craven / CC BY 2.0

Construction Sand

Manufactured / Crusher Sand (M-Sand)

رمل مصنع / رمل كسارة

Representative material photograph; supplied grading may vary.

Size / packaging

Crushed fine aggregate; grading by specification

Typical uses

Specified concrete or mortar mixes; Approved bedding and construction applications

Photo: Peter Craven / CC BY 2.0

Stone & Aggregates

Zero Aggregate / Crusher Fines

بحص زيرو / ناتج كسارة ناعم

Representative material photograph; supplied grading may vary.

Size / packaging

Local “zero” grade; exact sieve range to be confirmed

Typical uses

Approved leveling layers; Blended base and filling material

Stone & Aggregates

3/4" Aggregate

بحص 3/4

Representative material photograph; supplied grading may vary.

Size / packaging

3/4 inch $\approx$ 19.05 mm nominal; sieve grading confirmed separately

Typical uses

Specified concrete mixes; Approved drainage, bedding or construction layers

Stone & Aggregates

3/8" Aggregate

بحص 3/8

Representative material photograph; supplied grading may vary.

Size / packaging

3/8 inch $\approx$ 9.53 mm nominal; sieve grading confirmed separately

Typical uses

Specified concrete mixes; Approved drainage, bedding or construction layers

Stone & Aggregates

3/16" Aggregate

بحص 3/16

Representative material photograph; supplied grading may vary.

Size / packaging

3/16 inch $\approx$ 4.76 mm nominal; sieve grading confirmed separately

Typical uses

Specified concrete mixes; Approved drainage, bedding or construction layers

Stone & Aggregates

Crushed Aggregate

بحص مكسر

Representative material photograph; supplied grading may vary.

Size / packaging

Selected grading / mixed sizes

Typical uses

Concrete aggregate to approved grading; Site preparation and engineered fill

Stone & Aggregates

Base Course

بيس كورس / طبقة أساس

Representative material photograph; supplied grading may vary.

Size / packaging

Graded blend to project specification

Typical uses

Road and pavement base; Approved hardstanding and access areas

Stone & Aggregates

Sub-base

سب بيس / طبقة تحت الأساس

Representative material photograph; supplied grading may vary.

Size / packaging

Graded blend to project specification

Typical uses

Road and pavement sub-base; Approved foundation preparation

Stone & Aggregates

4-inch Rock

صخر 4 بوصة

Representative material photograph; supplied grading may vary.

Size / packaging

4 inches $\approx$ 101.6 mm nominal

Typical uses

Approved coarse filling; Drainage or erosion control to the design specification

Stone & Aggregates

1-6-inch Stone

حجر مقاس 1 إلى 6 بوصات

Representative material photograph; supplied grading may vary.

Size / packaging

1-6 inches $\approx$ 25-152 mm; confirm selected range

Typical uses

Approved coarse backfill; Rock filling and site preparation

Stone & Aggregates

Black Filling Material

مواد دفان سوداء

Representative material photograph; supplied grading may vary.

Size / packaging

Source, composition and grading to be confirmed

Typical uses

Approved site filling; Backfilling to specified compaction requirements

Tile & Stone Fixing

Saveto Tile Grout — Beige No. 81

تروبية سافيتو بيج رقم 81 {10 كيلو}

Size / packaging

10 kg

Typical uses

Filling tile joints on walls and floors

[Product reference](#)

Tile & Stone Fixing

Saveto Tile Grout — Dark Beige No. 74

تروبية سافيتو بيج غامق رقم 74 {10 كيلو}

Size / packaging

10 kg

Typical uses

Filling tile joints on walls and floors

[Product reference](#)

Tile & Stone Fixing

Saveto Tile Grout — Blue No. 60

تروبية سافيتو أزرق رقم 60 {10 كيلو}

Size / packaging

10 kg

Typical uses

Filling tile joints on walls and floors

[Product reference](#)

Tile & Stone Fixing

Saveto Tile Grout — Brown No. 75

تروية سافيتو بني رقم 75 {10 كيلو}

Size / packaging

10 kg

Typical uses

Filling tile joints on walls and floors

[Product reference](#)

Tile & Stone Fixing

Saveto Tile Grout — Beige No. 73

تروية سافيتو بيج رقم 73 {10 كيلو}

Size / packaging

10 kg

Typical uses

Filling tile joints on walls and floors

[Product reference](#)

Tile & Stone Fixing

Saveto Antibacterial Grout — Beige

تروية سافيتو مقاومة للبكتيريا بيج 5 كغ

Size / packaging

5 kg

Typical uses

Filling tile joints on walls and floors

[Product reference](#)

Tile & Stone Fixing

Saveto Antibacterial Grout — Gray

تروية سافيتو مقاومة للبكتيريا رمادي 5 كغ

Size / packaging

5 kg

Typical uses

Filling tile joints on walls and floors

[Product reference](#)

Tile & Stone Fixing

Saveto Antibacterial Grout — Black

تروية سافيتو مقاومة للبكتيريا أسود 5 كغ

Size / packaging

5 kg

Typical uses

Filling tile joints on walls and floors

[Product reference](#)

Tile & Stone Fixing

Saveto Antibacterial Grout — White

تروية سافيتو مقاومة للبكتيريا أبيض 5 كغ

Size / packaging

5 kg

Typical uses

Filling tile joints on walls and floors

[Product reference](#)

Cement

Saudi Sulfate-Resistant Cement

إسمنت السعودية - مقاوم للكبريت

Size / packaging

Confirm pack size with your quote

Typical uses

Specified concrete and mortar in sulfate exposure conditions

[Product reference](#)

Waterproofing & Sealing

Vetonit Expansion Joint Silicone — Beige

سليكون فواصل التمدد بيج فيتونيت من سافيتو

Size / packaging

Confirm pack size with your quote

Typical uses

Sealing compatible joints and junctions

[Product reference](#)

Waterproofing & Sealing

Vetonit Expansion Joint Silicone — White

سليكون فواصل التمدد ابيض فيتونيت من سافيتو

Size / packaging

Confirm pack size with your quote

Typical uses

Sealing compatible joints and junctions

[Product reference](#)

Waterproofing & Sealing

Vetonit Expansion Joint Silicone — Gray

سليكون فواصل التمدد رمادي فيتونيت من سافيتو

Size / packaging

Confirm pack size with your quote

Typical uses

Sealing compatible joints and junctions

[Product reference](#)

Waterproofing & Sealing

Saveto Clear Silicone

سيليكون سافيتو شفاف 300 مل سافيتو

Size / packaging

300 ml

Typical uses

Sealing compatible joints and junctions

[Product reference](#)

Waterproofing & Sealing

Vetonit White Roof Coating

عازل اسطح ابيض فيتونيت 20 كيلو

Size / packaging

20 kg

Typical uses

Specified roof coating systems

[Product reference](#)

Tile & Stone Fixing

Saveto Porcelain Tile Adhesive

غراء بورسلان سافيتو 20 كيلو

Size / packaging

20 kg

Typical uses

Tile fixing on suitable prepared surfaces

[Product reference](#)

Tile & Stone Fixing

Saveto Vetonit Ceramic Tile Adhesive

سافيتو فيتونيت غراء بلاط السيراميك 20 كيلو

Size / packaging

20 kg

Typical uses

Tile fixing on suitable prepared surfaces

[Product reference](#)

Tile & Stone Fixing

Saveto Tile Grout — Gray No. 50

تروية سافيتو رمادي رقم 50 {10 كيلو}

Size / packaging

10 kg

Typical uses

Filling tile joints on walls and floors

[Product reference](#)

Construction Chemicals

Saveto Plaster Bond — Green

بوند لياصة اخضر سافيتو

Size / packaging

Confirm pack size with your quote

Typical uses

Preparation and bonding for specified plaster systems

[Product reference](#)

Construction Chemicals

Saveto Plaster Bond — Blue

بوند لياسة ازرق سافيتو

Size / packaging

Confirm pack size with your quote

Typical uses

Preparation and bonding for specified plaster systems

[Product reference](#)

Tile & Stone Fixing

Saveto Tile Grout — White

تروية سافيتو أبيض {10 كيلو}

Size / packaging

10 kg

Typical uses

Filling tile joints on walls and floors

[Product reference](#)

Finishes & Plasters

Saveto Wall Crack Filler

معجون تعبئة شقوق للجدران سافيتو 25 كيلو

Size / packaging

25 kg

Typical uses

Wall surface preparation and finishing

[Product reference](#)

Waterproofing & Sealing

Saveto Cementitious Waterproofing

عازل اسمني جدران مسابح ارضيات سافيتو

Size / packaging

Confirm pack size with your quote

Typical uses

Specified wet-area, floor and pool waterproofing systems

[Product reference](#)

Tile & Stone Fixing

Saveto Pool Tile Adhesive

غراء بلاط للمساح سافيتو 25 كيلو

Size / packaging

25 kg

Typical uses

Tile fixing in specified pool systems

[Product reference](#)

Finishes & Plasters

Saveto Ready-Mixed Finishing Putty

معجون تشطيب نهائي جاهز سافيتو

Size / packaging

Confirm pack size with your quote

Typical uses

Wall surface preparation and finishing

[Product reference](#)

Construction Chemicals

Saveto Plaster Bond — Red

بوند لياصة احمر سافيتو

Size / packaging

Confirm pack size with your quote

Typical uses

Preparation and bonding for specified plaster systems

[Product reference](#)

Tile & Stone Fixing

Saveto Premium Fix — White

غراء الأول أبيض سافيتو 20 كيلو

Size / packaging

20 kg

Typical uses

Tile fixing on suitable prepared surfaces

[Product reference](#)

Tile & Stone Fixing

Saveto Porcelain Plus Large-Format Adhesive

غراء بورسلان بلس للالواح الكبيرة عالي الالتصاق 20 كيلو

Size / packaging

20 kg

Typical uses

Fixing large-format porcelain tiles

[Product reference](#)

Tile & Stone Fixing

Saveto Pool Grout — White

تروبية سافيتو للمساح - أبيض 25 كيلو

Size / packaging

25 kg

Typical uses

Tile joints in specified pool systems

[Product reference](#)

Concrete Repair

Saveto Concrete Repair Mortar

مادة سافيتو.. (تعشيش خرسانة)

Size / packaging

Confirm pack size with your quote

Typical uses

Repairing concrete voids and surface defects

[Product reference](#)

Finishes & Plasters

Saveto Wall Putty

معجون بوتي للجدران من سافيتو 20 كيلو

Size / packaging

20 kg

Typical uses

Wall surface preparation and finishing

[Product reference](#)

Tile & Stone Fixing

Vetonit Ultra Multipurpose Tile Adhesive

غراء بلاط فيتونيت الترا متعدد الاستخدام 20 كيلو

Size / packaging

20 kg

Typical uses

Tile fixing on suitable prepared surfaces

[Product reference](#)

Tile & Stone Fixing

Saveto Tile Grout — Gray

تروية سافيتو رمادي GREY {10 كيلو}

Size / packaging

10 kg

Typical uses

Filling tile joints on walls and floors
